4.1 Eligibility and Automatic Enrollment

All full-time and part-time employees age 21 or older are immediately eligible to participate in the 401(k) retirement savings plan through Fidelity Investments beginning on their 30th day of employment. Employees are automatically enrolled at a 4%

pre-tax contribution rate unless they affirmatively elect a different percentage or waive participation.

4.2 Company Matching Contribution

To help employees save for retirement, the company provides a generous dollar-for-dollar employer match:

- Match Formula: 100% match on the first 4% of eligible compensation deferred by the employee, plus a 50% match on the next 2% of eligible compensation.
- Maximum Match: The maximum total company matching contribution is 5% of eligible annual salary.
- Vesting Schedule: Employee contributions are always 100% immediately vested. Employer matching contributions vest according to a graded 3-year vesting schedule:
 - Less than 1 year of service: 0% vested.
 - 1 completed year of service: 33% vested.
 - 2 completed years of service: 66% vested.
 - 3 completed years of service: 100% fully vested.

5. Enrollment Windows and Qualifying Life Events

5.1 New Hire Enrollment

New employees have thirty (30) calendar days from their official start date to complete their initial benefits elections in the HR Portal. Failure to elect benefits within 30 days results in default waiver of coverage until the next annual open enrollment period.

5.2 Annual Open Enrollment

Annual Open Enrollment takes place each year from November 1 through November 20. Elections made during open enrollment take effect on January 1 of the following calendar year.

5.3 Qualifying Life Events (QLE)

Employees may make mid-year election changes within thirty (30) calendar days of experiencing a recognized Qualifying Life Event, including:

- Marriage, divorce, or legal separation.
- Birth, adoption, or placement of a child.
- Death of a spouse or dependent.
- Involuntary loss of other group health coverage by the employee or spouse.
